Interpersonal Skills for Healthy Work Relationships

*Create more positive and beneficial work relationships
by applying conscious communication skills.*

Our Participants Say it Best:

"This course exposed me to new tools and skills that will definitely enhance my management skill and style towards creating a more productive work environment."

G. Gayle, Assistant Controller,
Crosby Canada

"This course was great! It really opened my eyes to how I am perceived and why. It helps me understand who I am working with."

A. Iozzo, Contracts Coordinator
DPM Energy Inc

"This course put into clear perspective practical ways of relating at the workplace. It enables the student to have an understanding of basic interpersonal relationships capable of improving productivity in the organization."

A. Adesugba, Vice President
Abuja Chamber of Commerce and Industry

SEEC Moments of Insight include:

Leverage listening skills to create high-impact, attention-getting messages.

Use speaking goals to guide selection of the appropriate communication channel.

Develop network maps to maximize community and minimize resistance.

Interpersonal Skills for Healthy Work Relationships

Influence, persuade and communicate with more effectiveness!

Your management career succeeds as your business relationships succeed.

The ability to **influence, persuade and communicate with people in a positive way in order to achieve your organizational goals is one of the keys to success** in any business or professional environment. This highly interactive course provides you with the opportunity to learn, practise and master the critical skills and competencies required for building and maintaining productive and profitable work relationships. You will learn **practical and adaptive strategies for informing and influencing others** – no matter where they fit within the organizational structure.

Top Take-Aways

1. Apply **advanced communication strategies** to shape effective messages and positively influence relationships
2. Understand and practise the characteristics of **ideal communicators**
3. Understand the four **basic behavioural styles** and how to manage each
4. Analyze an audience to address listeners' needs, wants, priorities, and goals
5. Recognize and **avoid common communication mistakes** and conflicts
6. Adopt techniques for building **rapport** and achieving **trust** from your colleagues
7. Learn real-life situation **definition and diffusing skills**
8. Leverage **communication-based insights** into the teambuilding process

Who Should Attend

Managers, directors, supervisors and team leaders in any functional area who would like to:

- Benefit from an enhanced ability to **influence, persuade and negotiate** in the workplace
- Build better work relationships throughout their organization – **up, down and across**
- Make improved communication choices that better reflect and **showcase their skills, knowledge, expertise and value** to the organization

Unique Personalized Features:

- Develop a strategic action plan
- Coaching and mentoring session
- True Colors® self-assessment report and briefing

Overview of Program Content
