Schulich Mini-MBA: Essentials of Management

How do I know if the program is right for me?

It's right for you if you are an **experienced leader who hopes to be promoted, or who has taken on new areas of responsibility and requires diverse business skills.** You may also be a busy executive who has not updated your business knowledge in a number of years, and **you are contemplating doing an MBA or EMBA.** The program parallels topics of our world-renowned MBA in a condensed format and **serves as an excellent "trial" for a full MBA.**

What educational and work background do I need?

We recommend this program to **any manager with a minimum of five years direct management experience.** Given the advanced content, it is **recommended to have completed university or college education, however it is not a prerequisite,** as the right combination of experience, education and motivation will prepare you sufficiently.

A Convenient Blended Learning Program

The program is composed of a cross-section of our **top MBA subjects to help you build a complete 'skill-set' in a full range of disciplines** that today's successful leaders need.

Highly interactive classroom experiences are supplemented with video lectures and pre-session readings.

Complete your Mini-MBA Certificate in less than three months with three class modules covering 13 MBA subjects (Thursday – Saturday), and technology enhanced lectures and self-paced learning between class sessions.

Receive 63 PDUs towards your PMI®
Continuing Certification Requirements
• Technical: 13 • Leadership: 25
• Strategic and Business Management: 25

Prepare for more senior roles and responsibilities.

Gain the essential leadership competencies in a timeframe that works for you.

Finally, there is a leadership program that delivers current MBA subjects **in a practical time-frame for busy executives**. The Schulich Executive Education Centre has pioneered a concise Mini-MBA Essentials of Management program to provide you with **current robust business competencies directly applicable to real workplace situations**.

The *Schulich Mini-MBA: Essentials of Management* program is designed as a technology-enhanced program, allowing for **highly interactive classroom experiences that are supplemented with video lectures and pre-session readings which you do at your own pace**. Participants will receive current knowledge in over a dozen MBA course subjects – from marketing to finance – preparing them to become highly agile leaders in key business areas.

Here's what makes this program ideal for any busy leader on the go who is looking to update their competencies:

1. **Top MBA subjects only:** Immerse yourself in the top MBA subjects that will improve your leadership and management effectiveness.
2. **Fill-in essential learning gaps for career success:** Develop integrated business competencies including marketing, finance, strategic planning, supply chain, HR, new technology and business negotiations.
3. **Three Convenient Class Sessions & Online Class-Prep:** Attend one 3-day class in each of the three months of the program. Between classes, work on assignments with full video and online support.
4. **You will work directly with instructors from our world-class Schulich MBA and EMBA faculty** – consistently rated among the top in the world.
5. **Apply your learning to a current workplace project:** ideal for sponsoring organizations.
6. **Participate in our integrated group project** – modelled after Schulich's renowned MBA 601 Case Study – allows you to synthesize your learning and receive valuable feedback from expert judges.

Schulich Mini-MBA: Essentials of Management

Whether you are thinking you need to enhance your business acumen or are contemplating doing an MBA or EMBA, this Mini-MBA certificate will **provide the expert competencies and access to what has made the Schulich School of Business MBA the #1 program in Canada and our EMBA one of the best in the world.**

Study over a dozen of the top MBA course subjects, taught by the same faculty who teach in the MBA and EMBA programs. **You will be trained to ask tough questions, think critically, and make informed and timely decisions.** Plus experience a great course feature – our “Mini-MBA” team project – a condensed version of the very project all Schulich MBAs complete in order to graduate.

Register today in order to:

1. **Learn from the best.** Program faculty combined have over 30 MBA teaching excellence nominations.
2. **Expand your business knowledge** in over 13 MBA subject areas.
3. **Learn to think strategically, apply critical thinking skills, and explore the latest ideas** from the #1 Forbes ranked MBA school in the country.
4. **Apply your learning.** See your learning in action. The Schulich Mini-MBA provides opportunities to apply your learning even as you gain it.
5. **Manage your learning pace.** Using our technology-enhanced learning, optimize your learning experience through interactive classroom discussions and assignments.
6. **Extend your network.** The peer-to-peer learning environment will ensure you meet other executives from diverse industries.
