Successfully Managing People

*Improve all facets of your leadership and management style
with our highest rated management course.*

Our Participants Say it Best:

"The seminar has taught me key triggers and hints to look for in evaluating the competency rating of employees. The competency rating system will ensure that my department will run optimally."

S. Cargello,
Operations Manager,
Marsh Brothers Aviation
Inc.

"The seminar was very interesting and I had the chance to reassess myself and my team. This seminar will definitely change my department. Better communication and coaching for entire staff."

N. Recio, Manager of
Assisted Lab Services,
Lumacare

"This course provided me with effective material and tools to improve my skills as a manager. Overall, I feel like I have an increased self-awareness of my strengths and weaknesses in my role."

A. Stupino, Tax
Manager,
Fuller Landau LLP

SEEC Moments of Insight include:

Defining a transformational mindset to create and condition a team culture that fits with today's working styles.

Leadership research insights into engaging all generations of the workforce and secrets to motivating new workers.

Increasing personal charisma and creating communication connections based on predicted patterns of response.

Successfully Managing People

Over 2,000 managers and supervisors have attended.
Register today!

Learn what effective managers do and how they do it.

As managers' responsibilities become more complex and demand the involvement of more people, **it is essential to explore alternate methods to motivate staff.** This program has been designed to allow current managers to **develop new leadership and behaviour styles** which will accommodate changing environments. By the end of the course, **participants' effectiveness will be enhanced** through improved interpersonal and managerial skills, better decision-making processes, dynamic coaching styles, and techniques to motivate individuals to meet objectives.

Top Take-Aways

1. Determine your **unique management and coaching styles**
2. Objectively **identify your perceived level of effectiveness** in terms of 14 management competencies
3. Discover how most dysfunctional employee behaviours are **caused by management practices**
4. Explore methods of bringing conflicts to the surface in order to manage them
5. How to **engage employees** in effective decision making
6. Adapt your leadership and communications styles to **fit any organizational context**
7. Use power appropriately to **reduce negative reactions**
8. Develop a **customized action plan** for creating a constructive work environment

Who Should Attend

This program has helped managers from all functional areas including:

- General managers and administrators
- Senior corporate managers
- Manufacturing, technical and plant managers
