E-marketing: Strategies for Success

Plan your e-marketing programs with confidence. Explore the newest areas of web-based promotion – social media, mobile marketing, Web 2.0 and more!

SEEC Moments of Insight include:

- Techniques for integrating online and offline marketing mixes and measuring resulting enhanced ROI.
- Building a complete e-marketing plan from template, including cost parameters and success metrics.
- Live critiques and troubleshooting of current online marketing presence to identify potential enhancements.

Our Participants Say it Best:

“I know I will be putting into practice several of the pieces of e-marketing strategies and tactics that I learned in this course. Highly likely to recommend to colleagues.”

G. Crisp, Marketing Manager, CAFRAMO

“Engaging, focused experience with relevant content that is ready to implement at the office. Good takeaways, resources and contacts from the course.”

B. Kinnear, Director, Brothers Pharmaceutical

“Excellent course that provides both overview and in-depth info on e-marketing. The instructor brings tremendous knowledge and experience to the course.”

E. Antonacci, Marketing Manager, CSA Group
