How do I know if the program is right for me?

It's right for you if you are

- An experienced manager who has taken on new responsibilities or wants to advance their career;
- A busy executive who wants to gain a fresh look at how business knowledge is evolving;
- Contemplating doing an MBA or EMBA and want to get a "trial".

What educational and work background do I need?

We recommend this program to **anyone with a minimum of five years direct management experience**. Given the advanced content, it is **recommended to have completed university or college education, however it is not a prerequisite**, as the right combination of experience, education and motivation will prepare you sufficiently.
