Prepare for more senior roles and responsibilities.

Gain the essential management competencies in a time frame that works for you.

Finally, there is a program that delivers current MBA subjects in a practical time frame for busy executives. The Schulich Executive Education Centre has pioneered a concise Mini-MBA: Essentials of Management program to provide you with current, robust business competencies directly applicable to your workplace.

The Schulich Mini-MBA: Essentials of Management is designed as a technology-enhanced program, allowing for highly interactive classroom experiences that are supplemented with online materials and pre-session readings with which you engage at your own pace. Participants will gain knowledge and insights in a range of MBA subjects – including strategic management, marketing, finance and human resources – preparing them to become more effective managers in their organizations and beyond.

Here’s what makes this program ideal for any busy leader on the go who is looking to update their competencies:

1. **Relevant, state-of-the-art MBA subjects**: Develop integrated management competencies through classes in marketing, finance, strategic management, supply chain, human resources, and other key MBA subject areas.

2. **Convenient class sessions and online prep**: Attend one 3-day module in each of the three months of the program. Between modules, engage with online modules, videos and readings at your own pace.

3. **World-class faculty**: Interact and learn from top-rated instructors from Schulich’s MBA and EMBA programs, consistently ranked among the world’s best.

4. **Instant application to our Team Strategy Case Project**: Apply and synthesize your newly acquired skills to a challenging team project that is modeled after the renowned Schulich Strategy Field Study and get feedback from professional experts.

5. **Networking opportunities with highly experienced leaders and executives**: Connect with and learn from your peers from across a wide range of sectors, industries and professions.
Schulich Mini-MBA: Essentials of Management

Whether you are thinking you need to enhance your business acumen or are contemplating doing an MBA or EMBA, this Mini-MBA program will provide you with relevant competencies and access to what has made the Schulich MBA the #1 program in Canada and our EMBA one of the best in the world.

In addition to studying a range of relevant MBA course subjects taught by the top faculty of Schulich’s MBA and EMBA programs, you will be trained to think critically and strategically, ask tough questions, and make informed decisions. Plus experience a great program feature: our “Integrated Team Strategy Case Project”, a condensed version of the Schulich MBA capstone project, the Strategy Field Study.

Register today in order to:

1. Learn from the best. Program faculty combined have over 30 teaching excellence award nominations.

2. Expand your business knowledge in highly relevant MBA subject areas.

3. Learn to think critically, analytically and strategically, and explore the latest ideas from the #1 ranked MBA school in the country, according to Forbes and others.

4. Apply your learning. See your learning in action. The Schulich Mini-MBA provides opportunities to apply your learning just-in-time through case studies, simulations and an integrated team project.

5. Manage your learning pace. Using technology-enhanced learning, optimize your learning experience through interactive classroom discussions and state-of-the-art online modules supplemented by readings, videos and self-assessments.

Schulich Mini-MBA: Essentials of Management

How do I know if the program is right for me?

It’s right for you if you are:

• An experienced manager who has taken on new responsibilities or wants to advance their career
• A busy executive who wants to gain a fresh look at how business knowledge is evolving
• Contemplating doing an MBA or EMBA and want to get a “trial”

What educational and work background do I need?

We recommend this program to anyone with a minimum of five years direct management experience. Given the advanced content, it is recommended to have completed university or college education. However, it is not a prerequisite, as the right combination of experience, education and motivation will prepare you sufficiently.
